### PRODUCT DESCRIPTION

The Banner American Producer 27 laminator laminates items from cards to posters at high production speeds. It laminates 1.5 10 mil. Gauge film onto substrates up to 1 2 inch thick and the Producer 2700 has a variable speed of up to 16 feet per minute. With the solid state heat control, LCD readouts and external pressure adjustment, it has all the user friendly features usually found in larger, more expensive laminators. The adjustable slitters, sliding cut off bar and oversize feed table makes laminating quick and easy.
