PRODUCT DESCRIPTION

The GBC H800 Pro roll laminator permanently protects everything from posters to recipes. The H800 Pro laminator can laminate film weights up to 3 mil at a rate of 9.8 feet per minute. This laminator allows you to feed one item after another for uninterrupted laminating and is user friendly so minimal training is required. The H800 Pro laminator even comes with a training video and starter roll of film to get you going immediately.
