PRODUCT DESCRIPTION

Heat Seal H110 4.5 Photo and Badge Laminator 1702750 Carrier free HeatSeal pouch laminator delivers added convenience and efficiency. Laminates items up to 4.5 wide for photos and badges for high quality finishing. 2 heated rollers deliver superior lamination quality and consistency. Uses 5 to 7 mil pouches. 6 per minute fixed speed. Hot and cold fixed temperature settings offers improved laminating precision. Ideal for home and small offices. Limited 1 year warranty. The H110 laminator is ideal for small offices and home offices that need to laminate a few documents at a time and are looking for a cost effective solution to do so. However, it does have a few limitations and potential problems that make it less than ideal for any type of volume applications. If you laminate small numbers of small items then the H110 is a laminator to consider. If you need to laminate a large number of items or need to laminate larger items then this machine isn't for you. Features Carrier free HeatSeal pouch laminator delivers added convenience and efficiency Laminates items up to 4.5 wide for photos and badges for high quality finishing 2 heated rollers deliver superior lamination quality and consistency Uses 5 to 7 mil pouches 6 per minute fixed speed Hot and cold fixed temperature settings offers improved laminating precision Ideal for home and small offices Limited 1 year warranty
