### PRODUCT DESCRIPTION

Banner American 63 Inch High Speed Laminator Finisher 6300 DISCONTINUED THIS ITEM HAS BEEN DISCONTINUED The Banner American Finisher 6300 laminator combines the best technology of hot roller and hot shoe laminating machines resulting in fast warm up time and ultimate film protection. The Finisher 6300 laminator is capable of laminating items up to 63 wide and processes them at an incredible rate of 30 feet per minute. The Finisher 6300 laminator features an oversized table to hold the largest documents in place and provides adequate work space. The Finisher 6300 laminator utilizes solid state controllers with LCD readouts for temperature control, precise roller pressure across the entire web, and a host of user friendly operating features to get the best possible laminations. The optional adjustable slitters finish graphic displays by trimming off any excess lamination for high definition edges.
