PRODUCT DESCRIPTION

The ENTRY 4500 Laminating Mounting machine is the ideal entry level laminator for large format imaging services. The ENTRY 4500 is capable of mounting, laminating and encapsulating output from 36, 42 and 44 inkjet printers. Affordable and functional, the ENTRY 4500 is loaded with features important in giving you the highest level of results for each and every project. The ENTRY 4500 Laminating Mounting machine offers carefully designed features intended to quickly get you up and profitably running without the added expense of more advanced machines.
