PRODUCT DESCRIPTION

Banner American 27 Inch Easy Lam II Roll Laminator BA EZ2711 The Banner American Easy Lam fifteen years later is still the Teacher's Pet For over fifteen years, the Banner American trouble free Easy Lam laminator has been called The Teacher's Pet for good reason. Ease of operation and low cost have made it a teacher's favorite. The new Easy Lam II features improved ease of use, workmanship and dependability. It is a perfect solution for any school laminating project, such as posters, flash cards, teaching aids and more large or small. The new, Banner American Easy Lam II offers you smart designed in features so important to a busy school environment. With simplified, easy to use controls, you'll enjoy the Easy Lam II capability to laminate either .0015 inch or .003 inch gauge film. The easy to set heat control and a wide 27 inch film capacity allow you to laminate different materials with two more inches of capacity than a conventional 25 inch machine. Designed expressly with the teacher in mind, Easy Lam II is engineered to be school safe and user friendly. FEATURES Attached safety shield Drop down bottom idler for easy loading.
